EDUCATION

- NBN Sinhgad Technical Institutes Campus** Pune, India
Bachelors of Engineering in Computer Engineering; CGPA: 7.89 2021 – 2025

EXPERIENCE

- Cloud Computing Intern - KasNet Technologies Pvt. Ltd.** 2023 – 2024
 - Cloud Optimization:** Optimized Azure SQL, improving storage efficiency by 20%.
 - Data Visualization:** Developed Power BI dashboards, increasing data-driven efficiency by 30%.

PROJECTS

- Varicose Veins Detection Using YOLO - AI-Powered Medical Diagnosis** GitHub
 - Deep Learning Model:** Developed a YOLO-based classification system enhanced with EfficientNet.
 - Dataset:** Curated 3,000+ images for training, improving detection accuracy.
- SwipeHire - AI-Powered Job Matching App** In Progress
 - Recommendation System:** Leverages resume analysis and engagement metrics for job matching.
 - Bidirectional Swiping:** Allows recruiters and candidates to match efficiently.
- NFTix - NFT-Based Ticketing Platform** GitHub
 - Blockchain Security:** Uses Solidity and IPFS for fraud prevention.
 - Smart Contracts:** Enables resale with royalties via smart contracts.

TECHNICAL SKILLS

- Programming Languages:** Python, Solidity, Javascript.
- Technologies:** SQL, MongoDB, Smart Contracts, Web3, Cloud Computing (Azure), MS Excel, Power BI, Power Query, Linux, Generative AI, LLM.
- Frameworks & Libraries:** NumPy, pandas, scikit-learn, PyTorch, Matplotlib, Seaborn, Ultralytics, MLflow, React, Vite, NextJS
- Project Management & Tools:** Agile Methodologies, Jira, MS Project
- DevOps:** Docker, Kubernetes, CI/CD, Git, Github, Workflows

PUBLICATIONS

- Detection of Varicose Veins Using YOLO:** Published in IARJSET, Vol. 11, Issue 10, 2024.
DOI: 10.17148/IARJSET.2024.111012

CERTIFICATIONS

- Azure Fundamentals (AZ-900)
- Google Advanced Data Analytics
- Google Cybersecurity
- Google Data Analytics
- Google Project Management
- Google Business Intelligence

EXTRACURRICULAR ACTIVITIES

- Hackathon Achievement:** Winner of 'OKTO Track' at UNFOLD 24, Bengaluru.
- FSAE Electric Racing:** Core member of STES Racing team for FSAE 2024; worked on powertrain and control logic.
- Sinhgad Capture Crew:** Photographer and media coordinator for institute-wide events under Sinhgad Technical Education Society.
- Event Leadership:** Led the Drone Flying Competition at Sinhgad National Springfest 2024.
- Sports:** 2× National Games Participant and 2× State Gold Medalist in Karate (2018, 2019).
