EDUCATION

Bachelors of Engineering in Computer Engineering; CGPA: 7.89
Sir Parashurambhau Junior College
 Higher Secondary Education (12th) - Science (Vocational); Percentage: 88%
Dnyanadeep English Medium School
2021 - 2025
Pune, India
Pune, India

EXPERIENCE

KasNet Technologies Pvt. Ltd.

Cloud Computing & Project Management Intern

NBN Sinhgad Technical Institutes Campus

Secondary School Education (10th): Percentage: 93%

Pune, India 2023 – 2024

2018 - 2019

Pune, India

- Cloud Optimization: Optimized Azure SQL, improving storage efficiency by 20%.
- Data Visualization: Developed Power BI dashboards, increasing data-driven efficiency by 30%.
- Project Management: Improved team collaboration by 15% through Agile methodologies.

PROJECTS

Varicose Veins Detection Using YOLO

 GitHub

AI-Powered Medical Diagnosis

Final Year Project

- Deep Learning Model: Developed a YOLO-based classification system enhanced with EfficientNet.
- Dataset: Curated 3,000+ images for training, improving detection accuracy.

SwipeHire

In Progress

AI-Powered Job Matching App

Personal Project

- Recommendation System: Leverages resume analysis and engagement metrics for job matching.
- Bidirectional Swiping: Allows recruiters and candidates to match efficiently.

NFTix

 GitHub

 $NFT ext{-}Based\ Ticketing\ Platform$

Unfold Hackathon

- Blockchain Security: Uses Solidity and IPFS for fraud prevention.
- o Smart Contracts: Enables resale with royalties via smart contracts.

TECHNICAL SKILLS

- Programming Languages: Python, Solidity, JavaScript.
- **Technologies**: SQL, MongoDB, Web3, Cloud Computing (Azure).
- Frameworks & Libraries: React, Vite, NextJS, PyTorch, scikit-learn.
- DevOps & Tools: Docker, Kubernetes, CI/CD, Git, Agile Methodologies.

PUBLICATIONS

• Detection of Varicose Veins Using YOLO: Published in IARJSET, Vol. 11, Issue 10, 2024. DOI: 10.17148/IARJSET.2024.111012

CERTIFICATIONS

- Microsoft Azure Fundamentals (AZ-900): Certification Link
- Google Data Analytics Professional Certificate: Certification Link
